

# BUILD YOUR CAREER

## WHY CHOOSE CONSTRUCTION?

The reasons are many, here are just a few to get you thinking and planning.

### YOUR CAREER YOUR WAY

There are many paths which can be taken to enter the construction industry, including: apprenticeships, traineeships, courses, private college qualifications and university degrees. My University, [www.myuniversity.gov.au](http://www.myuniversity.gov.au), lists over 220 university pathways for construction careers.

### IT'S FOR EVERYONE

The construction industry does not discriminate and offers opportunities for all types of people.

### VALUE OF AN APPRENTICESHIP & TRAINEESHIP

You earn money as you learn on the job, complete competency based work at your own pace, highly supported and rewarded with a nationally recognised qualification.

### FOCUS ON SAFETY

Safety is the highest priority for all members of the construction industry supporting the health, safety and wellbeing of all people. There are many compulsory safety programs and committees that ensure that best practices are implemented in order to minimise risk and ensure everyone goes home safe and healthy every day.

### CONTINUOUS DEVELOPMENT

As Australia's population grows, new infrastructure, houses and commercial property continue to be built. This industry is ever changing through new challenges and exciting innovations, with this comes continuous learning, development and opportunity to be a part of this. The construction industry is one of the oldest, established industries – it's not going anywhere and the learning is endless.

### A WORLD OF OPPORTUNITY

The career you build and develop is transportable around the world – not many industries can say that! The construction industry offers endless opportunities for career growth, both in Australia and overseas. The ever changing industry allows you to explore a variety of career paths; you're not restricted to one profession for life and the skills you learn are valuable wherever you go.

### I BUILT THAT

The cool thing about being a part of constructing iconic buildings and landmarks is walking around your city and saying, 'I built that'. Australia has been built from the ground up by the construction industry, you could have the satisfaction of being involved in shaping your city and Australia's future.
